# **27<sup>th</sup> ANNUAL CONFERENCE OF INDIAN ASSOCIATION OF CARDIOVASCULAR AND THORACIC ANAESTHESIOLOGISTS**

**ADAPTING  
TO WINDS OF CHANGE & INNOVATION**

Dear Friends & Colleagues,

Greetings from the Orange City of India - Nagpur!!

It gives us immense pleasure to invite you to the 27<sup>th</sup> Annual Conference of Indian Association of Cardiovascular and Thoracic Anaesthesiologists, IACTACON 2024 to be held on 9<sup>th</sup> - 11<sup>th</sup> February 2024 at Nagpur. This Annual Conference is hosted by Society of Cardiothoracic Anesthesiologists Nagpur.

It will be a global meeting place for both mentors and budding cardiac anesthesiologists as well as researchers across the globe to share their experiences & discoveries to the world.

The purpose of this conference is to offer the opportunity to involve practitioners from different fields in discussions with key experts and internationally known speakers on various topics, in a spontaneous and relaxed atmosphere. Topics will be revisiting the state of the art management practices, the available new technologies and drugs, and current initiatives for quality improvement. The goal is to achieve the best outcome through best practices sharing, deliberating lectures and workshops.

We are inviting you to participate and to help us make this IACTACON 2024 a successful, enriching experience.

Regards from Organising Committee,

**Dr. Shrikrishna Deshpande, Organising Chairman**

**Dr. Vinay Kulkarni, Organising Secretary**

**Dr DEEPAK TEMPE**  
Patron

The organisation of the coveted National conference of IACTA in the heart of India (geographical centre) Nagpur in the upcoming year 2024 is a testimony to the growth of our speciality in India. Nagpur city doctors have been serving the population of Central India (adjoining parts of Chhattisgarh, Madhya Pradesh, Andhra Pradesh, including Maharashtra) since many decades. The scientific content will address the regional as well as the global needs of our specialty to enrich and strengthen the knowledge of the participants. The younger members and the postgraduate students should expect a very rewarding experience during the conference by way of their participation in the workshops, papers / posters, quiz, and meet the expert sessions. Welcome aboard the IACTACON2024!

**Dr SHRIKRISHNA DESHPANDE**  
Organising Chairman

Team IACTACON2024 Nagpur warmly welcomes you to the Tiger capital of India, also known as Orange City. Nagpur is hosting the prestigious 27<sup>th</sup> national conference of IACTA for the first time and we are all excited and eager to welcome you for this grand event. We assure you of a focussed scientific agenda, specially crafted to adapt to newer innovations and changing times in Cardiovascular and Thoracic anaesthesia care. Our chosen national and overseas faculty will be sharing their best experience at various sessions to satisfy the educational needs of the delegates. Simultaneously delegates can visit jungle safari to see the majestic tigers and enjoy the tangy cuisine of Nagpur plus the special entertainment programme during the conference. Dear friends, I earnestly request you to register for this IACTACON-2024 with your colleagues and family and come to Nagpur to enrich your knowledge and enjoy our hospitality. Awaiting your gracious presence...

**Dr VINAY KULKARNI**  
Organising Secretary

Our enthusiastic team IACTACON 2024 is planning this prestigious conference very meticulously. This is a personal invitation to everyone to grace this signature event with your presence and participation in knowledge sharing sessions. You have a great opportunity to interact with our reputed faculty and also unwind yourself in meeting friends and mentors. For nature enthusiasts, the wild flora and fauna around Nagpur is eager to see you and help you create great memories! Welcome you all Register for the conference, Reap the benefits and have a go for the Roar!

**Dr Manish Sonkusale**  
**Scientific Chairman**

On behalf of Scientific Committee IACTACON2024, I welcome each one of you to the soul of our conference - the scientific content. With the blessings of our dear patron and all our mentors, we are planning for a robust scientific programme which shall satisfy the needs of cardiac anaesthesiologists both institutional as well as private sectors. Crisp and punchy "Fast five" lectures will provide a platform to young, dynamic faculties. You are welcome to join the fun at both - the brain teasing cardiac anesthesia quiz & the Enigmatic echo quiz - will keep you at the edge of your seat. Meet the expert sessions and panel discussions will attract better audience participation and interaction. Our new workshops (POCUS and CALS) will generate lot of interest in the young brains, and give a great learning platform. Please come to the heart (centre) of India and experience our scientific endeavour!!!

Nagpur is a city located in the state of Maharashtra, India that seamlessly blends its rich history and cultural heritage with modern development and natural beauty. It offers a range of experiences for visitors, from exploring historical landmarks to enjoying local cuisine and experiencing the vibrant city life.

Nagpur is also surrounded by several wildlife parks and sanctuaries that offer opportunities to witness diverse flora and fauna.

**Deekshabhoomi:** It is a sacred Buddhist monument and the largest stupa in Asia. **Sitabuldi Fort:** Built during the British era, Sitabuldi Fort offers panoramic views of the city. It now serves as the headquarters of the Indian Army's 118<sup>th</sup> Infantry Battalion.

**Zero Mile Stone:** Nagpur is often considered as the geographical center of India, and the Zero Mile Stone monument marks this significance. It is a landmark and a popular spot for tourists to take pictures.

**Pench National Park:** Located approximately 90 kilometers from Nagpur, Pench National Park is famous for its rich biodiversity and is home to tigers, leopards, sloth bears, Indian gaur, and various species of deer. It is known for its scenic beauty and has been the inspiration for Rudyard Kipling's famous novel "The Jungle Book."

**Tadoba Andhari Tiger Reserve:** Situated around 140 kilometers from Nagpur, Tadoba Andhari Tiger Reserve is one of the largest and oldest national parks in Maharashtra. It is known for its significant tiger population and provides excellent tiger sighting opportunities. The reserve is also home to other wildlife species such as leopards, sloth bears, wild dogs, and numerous bird species.

**Ramtek:** Ramtek is a historical town known for its temple of Rama. Legend has it that Rama rested here during his exile, giving the place its name. The current temple was constructed in the 18th century by Raghuji Bhonsale, the Maratha ruler of Nagpur, after his triumph over the Deogarh fort in Chindwara. The area was also close to the ashram of the Hindu sage Agastya, according to Hindu mythology.

**Khindsi:** Khindsi Lake, located just 5 km from Ramtek, is a stunning lake surrounded by lush forests. It offers a variety of water sports, including motor boats, pedal boats, rowing boats, and water scooters, making it a perfect destination to admire the scenic beauty while enjoying the activities.

**Swaminarayan temple:** On October 7, 2013, India inaugurated its 750th Swaminarayan temple in Wathoda near the Middle Ring Road. The temple, the largest among 1,000+ temples established by Swaminarayan Sanstha worldwide, was inaugurated with Vedic chants and rituals after two days of preparation.

**Gorewada International Zoo:** Balasaheb Thackeray Gorewada International Zoological Park in Nagpur, Maharashtra, India, is named in honor of the late Marathi leader. It is one of the largest captive Zoo Safaris in India, covering over 1914 hectares of land adjacent to Gorewada Lake. The park features Tribal Art, Wildlife Rescue Center, Indian Safari, African Safari, Interpretation Center, Trail of Senses, and Night Safari.

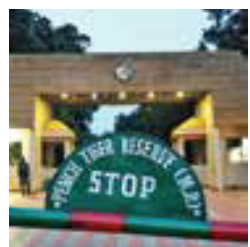

**Anandwan (Forest of Happiness):** Located 105km from Nagpur, founded by the internationally known human rights activist, the late Baba Amte, is a perfect example of pioneering social work in rehabilitation of leprosy affected families.

**Hemalkasa:** Situated approx 320km from Nagpur, is known for Lok Biradari Prakalp - started by renowned social worker Baba Amte, for integrated development of Madia Gond tribe.

**Pavnar ashram (69km from Nagpur):** Founded and developed by Acharya Vinoba Bhave in 1939, for practising spirituality, education of girls and women.

**Sewagram (75 km from Nagpur):** Village of service - Sevagram ashram remained the abode of Mahatma Gandhi from 1936 till his death. The museum, the historical details and the serene ambience will touch every visitor.
